She stepped to the bed, bracketing Junior between her and Big Rude. The stream of obscene invective issuing from Sheena made Junior feel as if he had gotten in the way of a septic-tank cleanout hose.. "I'm not saying there's anything wrong with it, you understand," Neddy whispered with a sort of fierce conciliation, "but I'm not gay, and I'm not interested in teaching you the piano or anything else. Besides, after the stories Renee told about you, I can't imagine why you think any friend of his ... hers would get near you. You need help. Renee is what she is, but she's not a bad person, she's generous and she's sweet. She doesn't deserve to be beaten, abused, and ... and all those horrible things you did. Excuse me." "Making too many wrong choices," Grace White said, "produces too many branches-a gnarled, twisted, ugly growth." "I suppose anyone could fill some empty gelatin capsules with the syrup," said Parkhurst. "But-" "Roll your own, so to speak. Then he could palm a few of them, swallow 'em without water, and the reaction would be

delayed maybe. THE MORNING THAT it happened was bright and blue in March, two months after Barty took Angel for a dry walk in wet weather, seven weeks after Celestina married Wally, and five weeks after the happy newlyweds completed their purchase of the Galloway house next door to the Lampion place. Selma Galloway, retired from a professorship years earlier, had subsequently retired further, taking advantage of the equity in her long-owned home to buy a little condo on the beach in nearby Carlsbad. Junior assumed the dead girl had come from a family of stature in the Negro community, which would explain the stonemason's accelerated service. Vanadium, according to his own words, was a friend of the family; consequently, the father was most likely a police officer. "Miss White," he continued, still facing the window, "not long before you arrived in surgery this morning, your sister died on the table. We hadn't delivered the baby yet, and perhaps couldn't have done so, by cesarean, in time to prevent brain damage, so for both the sake of the mother and child, heroic efforts were made to bring Phimie back and ensure continued circulation to the fetus until we could extract it." He nervously fingered the fabric of his slacks, outlining the quarter in his pocket. Still there. "She reads too much hard-boiled detective fiction," Nolly said. "And lately, she's talking about writing it." Memory of the Spartan decor of Thomas Vanadium's house lingered with Junior, and he addressed his living space with the detective's style in mind. He installed a minimum of furniture, though all new and of higher quality than the junk in Vanadium's residence: sleek, modern, Danish-pecan wood and nappy oatmeal-colored upholstery. The busboy swept the empty appetizer plates away as the waiter arrived simultaneously with small salads. Fresh martinis followed. She didn't hear gunfire this time, either, but the hard crack of splintering wood attested to the passage of at least two more bullets. Junior couldn't leave the dead man in the hall and hope to have any quality time with Celestina. With Barty's presence, Christmas Eve dinners had become even more agreeable, especially this year when he was almost-three-going-on-twenty. He talked about the visits to friends that he and his mother and Edom had made earlier in the day, about Father Brown, as if that cleric-detective were real, about the puddle-jumping toads that had been singing in the backyard when he and his mother had arrived home from the cemetery, and his chatter was engaging because it was full of a child's charm yet peppered with enough precocious observations to make it of interest to adults. WHEN DR. JIM PARKHURST made his evening rounds, Junior didn't continue to feign sleep but asked earnest questions to which he knew most of the answers, having eavesdropped on the conversation between the physician and Detective Vanadium. Angel, however, focused on a point in the air above the table. Faint furrows marked her brow for a moment, but then the frown gave way to a smile. One nurse and one nun brought Celestina into the creche behind the viewing window. The roses filling the countersunk vases in the corners of Joey's gravestone were not Edom-grown, but they were Edom-bought. He had visited the florist himself, personally selecting each bloom from the inventory in the cooler; but he didn't have the courage to accompany Agnes and Barty to the grave. Kneeling at her side, Junior placed the decorative pillow over her lovely face and pressed down firmly while Frank Sinatra finished "Hello, Young Lovers," and sang perhaps half of "All or Nothing at All." Victoria never regained consciousness, never had a chance to struggle. Coughing, spitting saliva that was bitter with toxic chemicals, Paul followed her, slapping frantically at his clothes when fire singed his shirt. Hers were the most feminine hands he'd ever seen. Slender, soft, prettier than Naomi's. He had no idea what she was talking about. From a cutlery drawer, Tom withdrew a knife. The largest and sharpest blade in the small collection. He kept the house, for it was a shrine to his life with Perri. He returned to it from time to time, to refresh his spirit. She woke weeping from the dreams, and she wanted no witnesses. She wasn't embarrassed by her tears. She just didn't want to share them with anyone but Barty. "Nevertheless, even if Muffin assaulted you, she's otherwise such a sweet little thing. What would Maria think of you if you told her you'd smashed poor Muffin with a shovel?". The sirens shrieked so loud that he felt a sympathetic vibration in his dental fillings, and with a sharp cry of brakes, a great red truck turned the corner, at once followed by a second. AS THE WULFSTAN PARTY was being seated at a window table, slowly tumbling masses of cottony fog rolled across the black water, as if the bay had awakened and, rising from its bed, had tossed off great mounds of sheets and blankets. The paramedic, fingers pressed to the radial artery in Junior's right wrist, must have felt a rocket-quick acceleration in his pulse rate. By Thursday, September 23, due to Junior's accident and surgery, the draft board—which had reinstated his I -A status after he'd lost the exemption that had come with his former job as a rehabilitation therapist—agreed to schedule a new physical examination in December. With his startling combination of a Mediterranean complexion and rust-red hair, his good looks, and his fit physique, Paul had the exotic appearance of a pulp-fiction hero. In particular, he liked to imagine that he might pass for Doc Savage's brother. She told them of Phimie's request that the baby be named Angel. "At the time, I assumed she wasn't able to think clearly because of the stroke. When the sound-suppressor was properly attached to the pistol, Junior Cain leaned closer to the girl, peered into her eyes, and whispered, "Naomi, are you in there?" Near the top of the stairs, Barty thought he heard voices in his bedroom. Soft and indistinct. When he stopped to listen, the voices fell silent, or maybe he only imagined them. One apartment to the right, one to the left. Junior went to the right, to Apartment 1, where he'd seen the lights come on behind the curtained windows. More likely than not, this was a lie, and the detective was, setting him up. Suddenly Junior wished that he had denied dreaming. WALLY HAD NOT gone home with Death, but they had definitely been at the dance together. Taking her silence for assent, Tom continued: "Your father is gone from here, gone forever, but he still lives in other worlds. This isn't a statement of faith alone. If Albert Einstein were still alive and standing here, he'd tell you that it's true. Your father is with you in many places, and so is Phimie. In many places, she didn't die in childbirth. In some worlds, she was never raped, her life never blighted. But there's an irony in that, isn't there? Because in those worlds, Angel doesn't exist—yet Angel is a miracle and a blessing." He looked up from the city to the woman. "So when you're lying in bed tonight, kept awake by grief, don't think just about what you've lost with your father and Phimie. Think about what you have in this world that you've never known in some others—Angel. Whether God's a Catholic, a Baptist, a Jew, a Muslim, or a quantum mechanic, He gives us compensation for our pain, compensation right here in this world, not just in those parallel to it and not just in some afterlife. Always compensation for the pain ... if we recognize it when we see it." He yearned for a new heart mate. He was wise enough to know that no amount of yearning could transform the wrong woman into the right one. Love couldn't be demanded, planned, or manufactured. Love always came as a surprise, snuck up on you when you were least expecting it, like Anthony Perkins in a dress. On one particular street in Bright Beach, however, the most significant event of the year occurred on a pleasant afternoon in early April, when Barty, now nine years old, climbed to the top of the great oak and perched there in triumph, king of the tree and master of his blindness. "It's what?" asked the detective, for with the exception of his teeth, he was not a self-improved individual. Unobtrusively, Junior followed the musician across the large front room, but by an indirect arc, using the babbling bourgeoisie for cover. "Shape-taking?". On

January 3, 1968, Paul was fewer than 250 miles from Spruce Hills, Oregon. He wasn't aware of that town's proximity, however, and he didn't, at the time, have it as his destination..The two men introduced themselves. The physician was Dr. Jim Parkhurst. His manner was easy and affable, and his soothing voice, either by nature or by calculation, was as healing as balm..She had lighted one candle for each of eleven apostles, none for the twelfth, Judas, the betrayer. Consequently, after burning a fragment of the cards in each votive glass, she was left with one piece..The detective wasn't the only person in the world who liked "Someone to Watch over Me." Anyone in the lounge might have requested it. Or maybe this number was part of the pianist's usual repertoire..On the back of the watch case, however, were the incriminating words of a commemorative engraving: To Eenie/Love/Tammy Bean..The driver's door opened, shoving aside a damaged tea table, and a man climbed out of the Pontiac..His happy expectation thickened into dread when he spotted the ambulance at the curb. And in the driveway stood the Buick that belonged to Joshua Nunn, their family doctor..He fiddled with the cylinder until it swung open. Five chambers, a gleaming cartridge in each.. "Oh, it certainly is! It certainly is enough! But ... I don't regret much, you know. But I do regret not being here to see why you and Angel have been brought together. I know it'll be something lovely, Barty. Something so fine."..By November 1967, the Father Brown detective stories, written for mystery-loving adults by G. K. Chesterton, thrilled Barty. This series of books would retain a special place in his heart for the rest of his life-as would Robert Heinlein's The Star Beast, which was among his Christmas gifts that year..She could see now what she hadn't seen when running with him through the cemetery, because she was looking directly at him. Yet even seeing did not make it easy to believe..Vanadium clearly spent a lot of time in the kitchen; it was the only room in the house that felt comfortable and lived-in. Lots of culinary gadgets, appliances. Pots and pans hanging from a ceiling rack. A basket of onions, another of potatoes. A grouping of bottles with colorful labels proved to be a collection of olive oils..He desperately needed closure in the matter of Naomi's death. That was what these past three years and these supernatural events were all about..Celestina almost begged off, almost told him that she had no interest in whatever curiosity of medicine or physiology he might have witnessed. The only miracle that would have mattered, Phimie's survival, had not been granted.. "When the Iroquois Theater in Chicago burned on December 30, 1903" he said aloud, testing his memory, "during a matinee of Mr Blue Beard, six hundred two people perished, mostly women and children."..He stopped straining to see through the black room to the corner armchair. He closed his eyes and tried to lull himself to sleep by summoning into his mind's eye a lovely but calculatedly monotonous scene of gentle waves breaking on a moonlit shore..Besides, he wasn't on the Greenbaum Gallery customer list and didn't have an invitation..Even though the detective was on the wrong track, Junior was beginning to feel aggrieved. As any good citizen, he was willing, even eager to cooperate with responsible policemen who conducted their investigation by the book. This Thomas Vanadium, however, in spite of his monotonous voice and drab appearance, gave off the vibes of a fanatic..a deeply troubled John Wayne while the delightful David Niven floated along overhead in a basket suspended from a huge, colorful hot-air balloon..Later in the month, from Sparky Vox, Junior learned the building had a four-pipe, fan-coil heating system serving discrete ductwork for each apartment. Voices couldn't carry from residence to residence in the heating-cooling system, because no apartments shared ducting. Throughout the spring, summer, and autumn of 1967, Junior met new women, bedded a few, and had no doubt that each of his conquests experienced with him something she had never known before. Yet he still suffered from an emptiness in the heart..so she reached across her body with her left hand, which Celestina gripped tightly..But both the Church and quantum physics contend there is no such thing. Coincidence is the result of mysterious design and meaning--or it's strange order underlying the appearance of chaos. Take your pick. Or, if you choose, feel free to believe that they're one and the same..Glancing at the plump pie in Edom's hands, the gentleman replied to Agnes in a musical yet gravelly voice worthy of Louis Armstrong: "You must be the lady Reverend Collins told me about."
