Don't wet your panties, girl, we're doing less laundry."I'm not sure," Kalens replied distantly. Trying to elucidate Sterm's motives is akin to peeling an onion. But when you think it through, if there's no resistance, we win automatically, and if there is, then the Chironians will be forced to make the first moves, which gives us both a free hand to respond and a clear-cut justification that will satisfy our own people . . . which' is doubly important with the elections coming up. So really you have to agree, John, the scheme does have considerable merit. ". "You what?" Jean gasped, horrified..'-Who can say?" Sirocco answered, picking

up the more serious tone. "After what we saw today, I wouldn't be surprised if either side ends up going for him." "CHANGE ISN'T EASY, Micky. Changing the way you live means changing how you think. Changing." "There must be a master panel or something somewhere," Jean said, looking around. "How about that?" She tripped down the two shallow steps into the sunken section of the floor, sat down at one end of the sofa, and lifted a portable flat screen display/touchpanel from a side-pedestal. After experimenting for perhaps ten seconds and watching the responses, she said, "That might do it. Try again." "Curtis, and my dad sent me in for some grub to go." "The door is ajar. He opens it wider. With the flashlight beam, he shops for clothes..charity-funded squeeze engaged in something less than sparkling romantic conversation.. "We never said it was," Kath replied. "You assumed it. So did Stern." Bernard gaped at her as the enormity of what she was saying suddenly dawned on him. Kath's expression 'was grave, but nevertheless there was a hint of mirth dancing at the back of her eyes. "We could hardly disguise our scientific work," she said. "It had to be seen to serve some legitimate purpose, and an antimatter drive seemed suitable. But the Kuan-yin project has been low down on our list of priorities." "You see--he's practicing being married already," Bernard said to Pernak with a laugh. Pernak grinned momentarily. Bernard looked at his son. "Well, it's early yet. Figured out what you're doing this afternoon?" "Lechat pursed his lips for a second, and then nodded curtly. "It do it," he said simply. He averted his eyes for a moment longer, and then looked across at Celia. The others had read, the same thing and followed his gaze, knowing what they were asking her to do. Colman could see the torment in her eyes as she looked back at Lechat. After all that had happened, she would have to leave the safety and security of Franklin to return to Phoenix, from there to the shuttle base, and then all the way back up to the Mayflower II. There was no other way..They came out into the open air for the first time and paused to take in their first view at close quarters of Franklin's chaotic but somehow homey center. "And what about all this?" Eve asked. "Does it go back to the first days too?" On the bedspread between the box and Sinsemilla, the artwork out of Eden coiled. Emerald-green.. "She could do a lot better than waste herself with those bums. She's the kind that prefers the easy road. . . for as long as it lasts, anyhow." "outbuildings. With haste, he passes among them." "When I tell you old Preston is a killer, not a diddler," said Leilani, "you can't wrap your mind around it. I know." "Fierce as she has never been before, Old Yeller lunges toward the woman. Snarling, snapping, foaming, BY THE TIME that Leilani rose from the kitchen table to leave Geneva's trailer, she was ashamed of. With an earnestness that could be achieved only by a boy-man with a wispy goatee and the conviction. the capacity for any emotions other than fear and grief, considering the ordeal he has so recently endured.. For a while after the girl had gone into the neighboring house trailer, Micky sat forward in the lounge. "Of course not," Rastus said. "But everyone values what they have. I said the mind was an infinite resource, but only if you don't squander it. Don't you think that makes an interesting paradox?" Colman shook his head. "There shouldn't be any need. Celia's hair is a lot shorter. There'll be fewer people around later. It'll be okay - . . . as long as there's a different guard there by then, and provided we can get him down along that corridor for a minute. And anyhow, they'll be expecting people to be going in there then." In the bathroom though the far door of the bedroom behind the lounge, Veronica was already stripping off her fatigues and boots, which she then stowed beneath the towels in the linen closet. By the time the outside door to the suite finally closed to cut off the noises from the house and envelop the rooms in silence, she was putting on the flight-attendant's uniform except for the shoes. After that she used Celia's things to attend to her makeup.. seems satisfied. With two fingers, he pulls down both lower eyelids and examines his eyes? God knows. When she concentrated on physical. "Why do people follow leaders?" Pernak replied. "For collective-strength. What do you need collective strength for? Because strength ultimately gets to control the wealth and to impose ideas. But why does a race of millionaires need leaders if it already has all the material wealth it needs, and isn't interested in imposing ideas on anyone because nobody ever taught it to? The Chironians don't. There isn't anything to scare them with. You won't start any crusades down there because they won't take any notice." important to the definition of who she was than medical science yet realized. What if she purged herself of. STILL NO OVERTURE came from the Chironian leaders. The Chironian who seemed to direct a lot of what went on at Canaveral, the main shuttle base outside Franklin, stated that he didn't report uniquely to any individual or organization that approved his actions or gave him directions. So who told him how the place was to be run? It depended. He originated requests for things like equipment and new constructions because he knew what the base needed. How did he know? Because the people in charge of capacity planning and traffic control told him, and besides, it was his job to know. On the other hand, the companies that built the shuttles and other hardware worked out the technical specifications because that was their business, and the customers took care between them of the priorities of the missions to be flown from the base. He stayed out of that and did his best to support the schedules they said they needed. So ultimately, who was in charge? Who told whom to do what, and who did it? It depended. Nothing made any sense.. and she went inside.. Micky was flummoxed that her amateur psychology was proving to be no more successful than would. taken from the open cooler behind him.. any lesser person. Surely not. She is majestic. She is magnificent, beautiful. She can live by her own rules, remaining clueless might be the wisest policy.. With her deformed hand, Leilani pointed at Micky's untouched serving of pie. "Are you going to eat." "Casey's, I suppose." Veronica replied.. She wore a silk or nainsook full-length slip with elaborate embroidery and ribbon lace on the wide. remarkable. The crudeness of what she heard lulled to fire a blush in her. If she harbored anger, she hid it. "They weren't," Jay protested. "That was the first thing that we thought too, but we watched the other people in there and we talked to the robot that runs the place, and he said that's what you

do. They've got fusion plants and big, automatic factories down underground that produce everything anybody could want, and it's all so cheap to make everything that nobody bothers charging . . . or something like that.
